RESPONSE TO JURY DEMAND

65. Plaintiff's Jury Demand does not require a response by Acer.

DENIAL OF PLAINTIFF'S REQUEST FOR RELIEF

Acer denies that Plaintiff is entitled to any relief in this action and respectfully requests that the Court deny Plaintiff's request for any and all relief as stated in the Complaint.

AFFIRMATIVE DEFENSES

Without admitting or acknowledging that it bears the burden of proof except those imposed by law and without reducing or removing Plaintiff's burden of proof on its affirmative claims, Acer alleges and asserts the following defenses in response to Plaintiff's Complaint. Acer reserves the right to amend its answer with additional defenses as further information is obtained.

FIRST DEFENSE: FAILURE TO STATE A CLAIM

Plaintiff has failed to state a claim upon which relief can be granted.

**SECOND DEFENSE:
NON-INFRINGEMENT**

Acer has not infringed and does not infringe and has not induced and does not induce others to infringe, any valid and enforceable claim of the Patent-in-Suit, either directly, indirectly, contributorily, individually, jointly, willfully, by inducement, literally, or under the doctrine of equivalents.

**THIRD DEFENSE:
INVALIDITY**

The Patents-in-Suit are invalid for failing to comply with one or more provisions of the Patent Laws, Title 35 U.S.C., including without limitation one or more of 35 U.S.C. §§ 101, 102, 103 and 112 and the rules and laws pertaining to those provisions.

**FOURTH DEFENSE:
UNAVAILABILITY OF INJUNCTIVE RELIEF**

Plaintiff is not entitled to injunctive relief under *eBay v. MercExchange, LLC*, 126 S. Ct. 1837, 547 U.S. 388 (2006) because, inter alia, any alleged injury to Plaintiff would not be immediate or irreparable, Plaintiff would have an adequate remedy at law, and the balance of hardships does not warrant injunctive relief.

**FIFTH DEFENSE:
USE/MANUFACTURE BY/FOR UNITED STATES GOVERNMENT**

To the extent that any accused product or method has been used or manufactured by or for the United States, Plaintiff's claims and demands for relief are barred by 28 U.S.C. § 1498.

**SIXTH DEFENSE:
LACK OF MARKING**

On information and belief, Plaintiff has not established or alleged that it and/or its predecessors in interest or licensees marked any of their products that practice the patents-in-suit,

and thus, is not entitled to recover damages for any alleged infringement occurring before Acer was given actual notice of infringement.

**SEVENTH DEFENSE:
FRAND**

On information and belief, Plaintiff is estopped from seeking a royalty that is not compliant with Plaintiff's FRAND obligations.

**EIGHTH DEFENSE:
LACK OF STANDING**

On information and belief, Plaintiff has not established that it owns all right, title, and interest in one or more of the asserted patents sufficient to give it standing to bring this action.

RESERVATION OF ADDITIONAL DEFENSES

Acer's investigation of its defenses is continuing, and Acer expressly reserves the right to allege and assert any additional defenses under Rule 8 of the Federal Rules of Civil Procedure, the Patent Laws of the United States and any other defense, at law or in equity, that may now exist or in the future be available based upon discovery and further investigation in this case.

PRAYER FOR RELIEF

WHEREFORE, Acer prays for relief as follows:

1. Denial of all claims for relief set forth in the Complaint and entry of judgment in favor of Acer and against Plaintiff;
2. Declaring that Acer has not infringed and is not infringing any valid and/or enforceable claim of the Patents-in-Suit directly, indirectly, contributorily, individually, jointly, willfully, by inducement, literally, or under the doctrine of equivalents;
3. Declaring that each asserted claim of the Patents-in-Suit are invalid and/or unenforceable;
4. Declaring that this case is exceptional pursuant to 35 U.S.C. § 285;

5. Awarding Acer its costs and attorneys' fees in connection with this matter; and
6. Such other and further relief at law or in equity as the Court deems just and proper.

DEMAND FOR A JURY TRIAL

Pursuant to Rule 38 of the Federal Rules of Civil Procedure, Acer requests a trial by jury for all issues triable of right by a jury in the above-captioned case.
